

GYMPIE WEST STATE SCHOOL

18 August 2025

Year 6 Camp | Monday 17 – Wednesday 19 November Sunshine Coast Recreation Centre, Currimundi

Dear Parents/Carers,

Year 6 are heading to camp this year! We have been lucky to secure the Sunshine Coast Recreation Centre at Currimundi, on the Sunshine Coast.

The camp includes qualified instructors and a range of activities, which will be confirmed shortly.

Cost/Payment

- The cost of camp will be approximately \$260 to \$270 per student and will cover the entire camp, including activities, accommodation, meals and bus travel to and from the camp - this price may vary depending on the number of students attending and will be confirmed when permission notes go out later this term.
- Parents will only be invoiced for camp when the attached Activity Consent forms are returned, and final costing is complete.
- Payment plans can be arranged at the office. Please contact the Business Manager, Penny Derksen, on 5489 8200 if you wish to discuss payment plan options.
- Full or part payments can be made at the school office by EFT or via B-Point. B-Point payment details will be displayed at the bottom left of the invoice, please ensure you enter the details correctly.
- Final payments must be made by Friday 31 October 2025.

Expectations

- All students must be willing to try their best, and it is important all children who attend camp are responsible and reliable in all situations. Making smart choices, as per the Gympie West State School Student Code of Conduct, will be the continued expectation for students while at camp. Children who cannot behave appropriately risk the safety and enjoyment of others.
- Of course, we want every child to attend, but if your child is in danger of missing camp because they do not consistently display the behaviour needed to be safe on camp, you will be notified in advance.

Full permission notes, medical and packing notes will go home later this term.

Kind regards,

Year 6 Teachers | Gympie West State School
